Hello--

I have recently heard that the Cambridge City Council will be taking up a BDS resolution today, something I opposed for many reasons, including that it seems to be singling out a single country when there are so many problems everywhere in the world.

Have you taken a position on the issue yet? If not, is it worth our talking some time before the meeting? Do you think it is worth showing up at the meeting?

Thanks and best wishes to you and your family.

Larry

PS With this weather, I doubt if we will bicycling to the meeting :)
